EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Maxwell Petersen on July 26, 2007.

The application has been amended as follows:

Please cancel claims 63-65.

When reviewing the case a final time prior to allowance, it was discovered that, with Applicant's latest amendment, claims 1, 58, and 59 became duplicates of claims 63, 64, and 65 respectively. Applicant has agreed to the cancellation of these claims.

Claim 1 is now allowable insofar as the prior art of record does not teach an equivalent composite wherein the adhesive composition comprises an absorbent material. Claim 61 is allowable in view of Applicant's arguments.

An updated survey of the prior art yielded no new references more germane than those that have been cited previously. Accordingly, claims 11-13,15-24,38-45,47-56,58-61, and 66 are allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Marc S. Zimmer whose telephone number is 571-272-1096. The examiner can normally be reached on Monday-Friday 8:00-4:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Randy Gulakowski can be reached on 571-272-1302. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
